***"Business meet for a great treat"***

Well , your first experience with the hospitality of this hotel starts with the chauffer who comes to pick you up at the airport. Clean cars and friendly drivers. Rooms in the hotel are very well done and have everything one can dream of. Right from the toiletries to the tea . Well maintained property and managed by a charming staff. The lunch buffet was awesome with a fairly decent spread.

The best part is the service. Not to exaggerate , wanted tea bags at 12.30 am , and in 2 minutes they were at my door. Breakfast spread par excellence.

Highly recommended and would say one of the best places to stay in Nagpur.

***"Food is great"***

The decor and food is good- Location is good too this place is popular as a marriage venue and has decent amenities. but reading other reviews I am not sure about room quality. overall we liked it and were happy.

***"Comfortable Stay.. Polite Staff.."***

The booking and check in process was smooth. Had to mention my previous visit details to get the customised package. Excellent pick up and drop arrangements. The food was also very good and the service was fine. Only thing noticeable is that the person carrying your bags will pick them up even if you dont need it, and when they reach the room tips are solicited. A central tipping box would do fine in this regard as all the other staff deserve them too. The buffet spread was excellent. Check out process took sometime but overall its a good hotel for business trips.

***"5 star feel at 4 star price !!!  
Highly recommended"***

Its a 5 star feel at 4 star price!! stayed here last week for 2 days... had requested for pick up from railway st., the vehicle was on time @ 12 in nite.. The rooms are good.. ambience is up market... to my surprise they served me a proper meal late night.

Staff is v friendly & service is up to the mark. Food is really good...

Breakfast spread was excellent.

Overall excellent place to stay for personal or official visit.

I have earlier stayed in Tuli Imperial which is a 5 star property.. however found this hotel little better than Tuli.

Highly recommended.
